Trip Focus

This team will have 2 distinct focuses. One focus of this team will be the delivery of humanitarian aid collected during Project Respond throughout the United States this summer. The second focus is the teaching of gypsy pastors and gypsy leaders. ACF will be hosting a multi-day training session for these pastors. The entire team will visit many different children, families, and ministries throughout the Targu-Mures regions of Romania. The team will also perform a Vacation Bible School to each group of children receiving the aid. The team will also enjoy the beauty of Romania as the team will get the chance to do some first-rate sightseeing of the country's natural scenery and historical sites.
