Trip Focus

We will have three focuses:

1. Medical Team - RNs, Occupational Therapists, CNAs, etc. we need you! We will be assisting local medical staff with treating people in a variety of settings.
2. Children's Ministry and Evangelism - This team will work daily with the children at the Ruby Havens foster care home. This team will also participate in children's ministry with kids from the greater George community. Talents in puppetry, crafts, simple Bible lessons, drama etc. would be helpful in these outreaches.
3. Construction - Put on your tool belt and help do small house projects at the Havens. We will also do community outreach for families who need a little help with home repair. We will focus on helping widows, children-led households and the very poor to improve their living conditions.
