A Look at How Your Support Made a Difference!

Issue 15- Summer 2023

YOU HELPED A CHILD HAVE A
SUMMER OF FUN!

**THANK
YOU!**

Because of your generosity over **200 children** experienced God in a new way this summer!

YOU TURNED A SUMMER DAY INTO A SUMMER BLAST!

Mario says... "thank you for making my summer the best ever! AMIN!"

Your support sent 40 children to a beautiful camp in the mountains of Romania.

The theme of the VBS camp this year was 'Simply Abide'. Getting these children to listen to what God is telling them was an important part of the teaching.

Team members were amazed at how well-behaved the children were and how eager some of them were to learn. The spirit was moving in the lives of some children in a way that surely will produce good fruit.

It is only because of your generous support that kids began to trust God and accept Jesus as their Lord and Savior. Lots of seeds were planted during the Summer of Fun events. Now you can pray that the Holy Spirit will grow those seeds into something beautiful!

FANTASTIC RESPONSE!

What beautiful children! Your support helped these children have a fantastic summer!

AMAZING! That is the best word I can find to describe the events of the June mission trip to Romania. Your support helped provide almost 200 children with activities that made their summer memorable.

Trip leader Jessica Huettel says, "The kids were full of joy as we spent the week together sharing laughter, hugs and Bible stories. We were so proud of the knowledge they already had of the Bible stories and loved helping them grow deeper."

Your ongoing support of all the work being done at the Point of Hope Development Center is so important. The children are so blessed and happy to know that you love them as much as you do.

YOU DELIVERED JOY & HOPE!

For the 14th consecutive year, ACF has sent a shipping container full of vital humanitarian aid donated by generous donors to Romania.

This year's shipment was highlighted by having 2500+ pairs of shoes and boots, 7500+ socks, 264 winter coats, 124 pieces of sports equipment and many other pieces of aid to help our Romanian staff nurture our kiddos at the Point of Hope and throughout Romania.

We always like to emphasize that this aid is only a tool we use to get the Gospel of Jesus Christ into the hearts of these precious children. Serving people in this fashion is the example Jesus himself used to bring people into a genuine relationship with himself.

In October, a team is headed to Romania to deliver this aid to kids. Thanks again to all of you who either donated or prayed for this aid to be collected. Keep this aid in your prayers as it is delivered to kids in Romania.

This truckload of vital aid just arrived in Romania!

100's of new shoes ready to go onto the feet of children!

HOMELESS KIDS BEING FED & SAVED!

In June, ACF donated 180 pair of shoes and over 1500 food packs to be delivered to the homeless people living in Lafayette, LA.

Many of the people served were children who live in abandoned hotels, underneath bridges and other unsafe areas of the city.

John Frank Reeve, the Another Child representative in Lafayette, shared that these two women, Tiffany and Kelly, cook 400 meals each week out of Tiffany's home. This is an incredible effort by these two women. Love and service pours out of the heart in an inspiring way.

They have brought many to Christ who are now clean and living independently. Another Child is proud to partner with Acadiana Needs to provide much-needed support across the street, and around the world!

BACKPACKS GALORE! FILLED & DISTRIBUTED

Blessing local children w/backpacks!

It is an incredible thing to see 40 or so volunteers come together and work together as a single unit to bring the Good News of Jesus to children in our local towns.

This is exactly what happened on Saturday, July 22 in Walnut, Illinois. Nearly 500 backpacks were filled with school supplies donated by generous donors.

In addition, these volunteers also processed 500 new pairs of shoes that will be sent all over the world to be put onto the feet of children. What a blessing all of this is. To God be the Glory!

Living Water For a Thirsty World

John 4:13-14

Your Support is needed by September 6!

*“Therefore with joy you will draw water from the wells of salvation”
-- Isaiah 12:3*

A lack of clean and filtered water is leaving children and their families without the most basic essential earthly item they need to survive. This is simply unacceptable in today's world.

Your gift will help a child and their family by providing clean filtered drinking water in their home. **Your gift of a water filter also includes a family Bible**, which provides the more important Living Water that Jesus talks about throughout the gospel of John.

It is urgent that you give before September 6. I know how much you care about the kids God has called us to serve.

If a child and their family doesn't receive the help they need in time, then sickness due to unclean drinking water will remain in their homes. I don't want that to happen, and neither do you.

You and I both know that clean water is important! However, we also know that being spiritually clean is important too. This is why your gift of \$25 will also provide a family Bible, which will be treasured in the home.

Jesus showed us the perfect example of how to help people in need. Taking care of a neighbor's physical need first opens the door for spiritual growth. You can make all this happen with a simple gift of \$25.

While you have this newsletter in your hand, would you send in a gift? You'll love knowing that you helped a family in their time of need.

Will you send a gift today?
