AN EXCITING NEW SCHOOL YEAR IS OFF & RUNNING!

Thanks to your generosity, in September we welcomed 14 new preschool students into our Point of Hope family!

These bright-eyed youngsters are bursting with curiosity and excitement as they take their first steps into the world of education. We believe that every child deserves a chance to learn, grow, and dream big, and we are determined to provide them with the tools they need to succeed.

As we embark on this new school year, we kindly ask for your prayers and continued support. Your generosity has been the cornerstone of our success, and together, we can empower these young minds to reach their full potential and achieve their dreams.

Thank you for being a part of our Point of Hope family. With your help, we can continue to provide a brighter future for the children of Tarneveni, Romania. Let's make this school year the best one yet!

Giulia is one of 14 new students at Point of Hope, because of you!!

LOCAL STUDENTS BLESSED BY YOU!

THANK YOU for providing for the schoolchildren in your local communities!

Through your generosity, ACF was able to provide more backpacks and essential school supplies to children in need locally in Louisiana and Illinois!

Your support helped deliver backpacks and other vital school items to kids right here in the U.S.

#BECAUSEOFYOU MOTHERS WERE HELPED!

You gave a mom an opportunity of a lifetime to develop her parenting skills- thank you!

On May 30, over 100 parents of children who attend the Point of Hope School in Tarneveni, Romania, crammed into a cafeteria area of the day center for the first of three weekly workshops designed to help these parents understand the value of education and to be able to encourage their children to strive for a higher level of education.

This workshop training provided the parent with the exact info they need in order to encourage and help their child's passion for school. Also, to encourage their child to do their homework to the best of their ability each night, and to check in with their child to ensure they are getting their homework done and have everything they need to do a great job in school.

These workshops were a fantastic experience; one we hope to offer in the years to come. The staff in Romania wants to thank YOU, the donor, who make all these extra activities happen.

YOU GAVE CLEAN & LIVING WATER TO A THIRSTY WORLD!

We want to say a big THANK YOU for your incredible kindness and support! Thanks to your generosity, we were able to provide families in Guatemala with something truly amazing – clean water filters and Bibles.

In September, our mission team traveled to Guatemala, and we were able to distribute these wonderful gifts to families who desperately needed them. The smiles on their faces were priceless!

Clean water is so important because it keeps families healthy. With the water filters you provided, these families now have access to clean and safe drinking water. This means fewer sick days and more time for children to go to school and play with their friends. It's a big step towards a brighter future.

And the Bibles you gave are bringing hope and inspiration to these families too. They offer comfort and guidance, and many people find strength in their words during tough times.

The team also provided a remote medical clinic where people got the rare chance to visit a doctor and receive any meds they needed.

Your generosity is making a real difference in the lives of these families, and we are so grateful to have you as our supporters. Together, we are changing the world, one family at a time.

Thank you again for your kindness and compassion. You are truly making the world a better place.

God is good all the time!

Beautiful children in Guatemala and Romania received God's best gift of all!

YOUR CHANCE TO LEAVE A LEGACY!

What started years ago as a simple dream has grown beyond our expectations. Another Child has come a long way, but we still have a long way to go.

We invite you to become part of the long-term answer for the children that will need help in the years to come. Many people think it is complicated to leave a legacy gift, but it is not difficult & we would love to show you.
