You Gave Poverty the Boot!

The lives of children in Guatemala and Romania are being blessed & transformed through your gift of new boots!

We want to thank all our generous donors who made this possible. Your loyalty and kindness mean the world to children who need a spark of hope in their young lives. You provided that HOPE!

Because of you, children in Guatemala now have brand new boots to keep their feet warm and dry. Your support has turned their little steps into big blessings!

Huge smiles on the faces of children saying THANKS to YOU for a beautiful pair of boots!

We're also thrilled to share that an amazing mission team recently delivered the first round of boots to children in Guatemala in late April. Team members were overwhelmed to see the smiles on their faces of the children as they received their new boots, all thanks to YOU!

Your generosity is truly changing lives and making the world a better place. Thank you from the bottom of our hearts for giving poverty the boot!

Impactful Ministry Done in Remote Village!

A mom receiving clean and Living Water in Mestela!

You made something incredible happen in a small village nestled in Guatemala, called Mestela. Thanks to the generosity of donors like you to Another Child Foundation (ACF), 84 families received a life-changing gift: water filters!

These filters aren't just any ordinary tools; they're

like magic wands that turn dirty water into clean, safe drinking water.

Imagine waking up one morning and being able to drink water without worrying about getting sick! That's what happened to the families in Mestela. With the water filters, they can now enjoy water that won't make them sick. This means fewer trips to the doctor and more time for school and work.

But the gift didn't stop there. Along with the water filters, the people of Mestela also received something even more precious—the message of Jesus Christ's love. For many, it was the first time they heard about this amazing love that brings hope and joy.

So, because of your support to ACF, you've not only provided clean water but also shared the greatest gift of all—the Living Water of Jesus Christ. Thank you for making this incredible journey possible!

God's Love is Powerful in a Child's Life!

The Tremendous Power of a Summer Camp Experience!

Did you know that YOU, the ACF supporter, as provided powerful faith building experiences for over nearly 1000 children in the past?

Last year volunteer Cathy Feaster was part of the VBS team that served these children at the tranquil camp in the mountains of Romania. Here are a couple highlights of what she experienced.

"Camp is so special for these kids. You could see it in their eyes. I was moved tremendously as I saw their hearts being transformed. Camp is a great investment into their lives." – Tim Oloffson

"Camp allowed them to be kids. To feel protected & loved. They could just be kids. Play, eat and relax and that made them more open to receive the love we gave them: the love of Jesus. Every kid should be able to experience the joy of just being kids." – Cathy Feaster

YOU provided a Bible for every child at camp!

Your Support Provided a Transformed Heart!

Maria having her heart transformed Because of YOU!

"I'm so thankful to have people like you believe in me enough to provide support for me to grow in Christ!" – Maria Bocotan

Maria Bocotan had the privilege to be in the camp last year with the Point of Hope Foundation. She enjoyed it so much. She wants you to know how much she appreciates all the support you provide to all the kids.

"Being exposed to the Word of God every day, and treated with love and respect is very special," says Maria. Maria now understands the love of God. She is learning now to trust God every day.

Maria goes on to say that, **"Although my family is poor, I know now that His salvation is by grace and by faith alone in Jesus Christ, not by works or money."**

THANK YOU for supporting Maria who is now eager to know more about the Lord and to trust God. She is now joyful, full of hope and concentrate to continue have her heart transformed through the love of Jesus!

Your "Send a Kid to Camp" gift will be **DOUBLED TODAY!**

Each year 45 kids get a chance to go to a VBS camp and enjoy other fun summer activities. \$12,500 is needed by June 10 to ensure this happens this year. That is a lot of money but together we can raise it.

Which is why a champion like you is needed today. **I'm not asking you to do anything dramatic. Just a donation. Maybe \$28, \$56 or \$140** or any amount that makes sense for you. Because that is how this challenge gets met.

And because of matching funds, a gift of \$140 will actually provide a week of camp for 2 children.

Your gift will send a child to this much anticipated VBS camp and all the other wonderful summer activities planned for these kids. Camp is a place where they can blossom into the child God created them to be.

We can do this. I know because of friends like you, people who value and champion the lives of voiceless children. YOU understand the need to invest into these precious lives. It is up to us to do this together!

The challenges these children have already overcome is inspiring to all of us who have invested into their lives. It's amazing to see how they persevere through life's struggles. **They just need someone like you** to continue to meet some of their spiritual needs which are strengthened at a VBS camp.

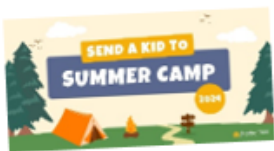

The dream is to restore dignity to the children in whom God has created is His image. To make it safe for these children to dream **BIG DREAMS** and share their talents with the world!

Will you send a gift today?
