THE VOICE

2024 SUMMER CAMP!

YOU TURNED A SUMMER DAY INTO A SUMMER BLAST!

Sebastian says..." thank you for making my summer the best ever! AMIN!"

" Thank you for giving 40 children the chance to explore their faith at camp this year!"- Dacian

Your support sent 40 children to a beautiful camp in the mountains of Romania. THANK YOU!

The theme of the VBS camp this year was 'What a Friend We Have in Jesus'. Getting these children to understand that Jesus desires a personal relationship with Him was a pure privilege.

Team members were amazed at how well-behaved the children were and how eager some of them were to learn. The spirit was moving in the lives of some children in a way that surely will produce good fruit.

It is only because of your generous support that kids began to trust God and accept Jesus as their Lord and Savior. Lots of seeds were planted during camp this year.

Now please pray that the Holy Spirit will grow those seeds into something beautiful!

"The seeds that were planted into the hearts of these children will bear tremendous fruit for the Tarnaveni community for generations to come."
-Point of Hope Director Liviu Turcu

The importance of the experiences camp and the other activities YOU support cannot be overstated!

It is because of your love, prayers and support of these children that the love of Jesus moves in their precious little hearts! THANK YOU!

Let these short testimonies move your heart!

"INCREDIBLE! Seeing these kids sing their favorite worship song and praising God was so cool. Thank you for giving these kids the chance they need!"- Sara

"All I can say is WOW! They all got to hear of God in a new way. They also dove deep into what His love for them means! Thanks for making an eternal difference." Kairi

" We've been doing this for 18 straight years and it still brings JOY to my heart! – Tim Oloffson

This school year has brought FANTASTIC results for the children of the Point of Hope. The children of the Point of Hope thank you for all the support!”

***BACKPACKS GALORE!
FILLED & DISTRIBUTED***

Blessing local children w/backpacks!

It is an incredible thing to see 40 or so volunteers come together and work together as a single unit to bring the Good News of Jesus to children in our local communities.

This is exactly what happened on Thursday, July 18 in Walnut, Illinois. 600 backpacks were filled with school supplies donated by generous donors and distributed to local schools!!

A TREMENDOUS BACK TO SCHOOL BASH!

On July 27, Another Child hosted a back-to-school event at Mosby Park in Cleveland, TN. 400 children came for a fun day as ACF volunteers provided food, games, and best of all, new school shoes and socks to all the kids!

As the kids enjoyed the sunny weather, they also heard a special message about faith. It was a joyful event bringing the Cleveland community together to prepare for the upcoming school year.

Read more about this event on the ACF website.

Living Water For a Thirsty World

John 4:13-14

Your Support is needed by September 10!

*“Therefore with joy you will draw water from the wells of salvation”
-- Isaiah 12:3*

A lack of clean and filtered water is leaving children and their families without the most basic essential earthly item they need to survive. This is simply unacceptable in today's world.

Your gift will help a child and their family by providing clean filtered drinking water in their home. **Your gift of a water filter also includes a family Bible**, which provides the more important Living Water that Jesus talks about throughout the gospel of John.

It is urgent that you give before September 10. I know how much you care about the kids God has called us to serve.

If a child and their family doesn't receive the help they need in time, then sickness due to unclean water will remain in their homes. I don't want that to happen, and neither do you.

You and I both know that clean water is important! However, we also know that being spiritually clean is important too. This is why your gift of \$30 will also provide a family Bible, which will be treasured in the home.

Jesus showed us the perfect example of how to help people in need. Taking care of a neighbor's physical need first opens the door for spiritual growth. You can make all this happen with a simple gift of \$30.

While you have this newsletter in your hand, would you send in a gift? You'll love knowing that you helped a family in their time of need.

Will you send a gift today?
