“It was pure joy to share the love of Jesus to a family living in the mountains. What an honor to be able to help those most impoverished by providing clean and Living Water and pray with them.”- Julie

“Seeing and hearing the kids spontaneously start worshipping God with their precious voices when the power went out was simply UNFORGETTABLE!”- Monica

THANK YOU to all of you who helped make this good work possible through your gift to the “Living Water for A Thirsty World” campaign. Your faithful witness and generous donations change the world for families in need, both across the street and around the world.

A report from the trip leader of our latest Guatemala mission trip:

“Our recent mission trip to Guatemala was a truly transformative experience for our multi-generational team. Our primary goal was to share the living water of Jesus Christ with the communities we visited, while also addressing practical needs by providing clean water filters to families in need.

We were able to distribute life-saving water filters to several families who lacked access to clean drinking water. In a country where many people still rely on unsafe water sources, these filters are more than a gift—they are a lifeline. Along with each filter, we shared the message of the living water found in Jesus, offering not only physical health but also spiritual hope.

It was incredibly moving to witness people’s gratitude, both for the clean water and for the Good News we came to share.

Our team worked hand in hand, from the youngest to the oldest, learning from one another and growing together in faith and love. Throughout the trip, our team experienced the deep joy of serving together across generations, united in purpose.”

KEEP A CHILD WARM THIS WINTER

WINTER COAT DRIVE

Your Support is needed by November 8!

Winter is coming, and it's going to be really cold in Tarnaveni, Romania. Many kids at the Point of Hope Development Center there don't have warm coats to protect them from the frigid winter weather. That's where you can help!

This Winter Coat Drive is to collect warm coats for these children. Imagine the joy of a child who gets a cozy new coat to wear during the winter months. **Your \$30 donation can make a big difference in their lives. A warm coat not only keeps them comfortable but also helps them stay healthy and happy during the cold season.**

You know the Point of Hope Development Center is a special place that helps kids who need extra support. The staff provides education, meals, and a Christian environment where the

meals and a Christian environment where the kids receive LOVE! But right now, many of these kids are missing something important—a warm coat.

Without a warm coat, they might feel the cold more, which can make it harder for them to stay healthy and have regular attendance at the Point of Hope.

How can you help? It's easy! Just donate \$30 per coat as I can promise you that a child needing to stay warm this winter will have a new winter coat along with gloves and a warm hat.

Together, we can make sure every child at the Point of Hope Development Center has a warm coat this winter. What a wonderful way to start this Christmas season. Thank you for your kindness!
